

BUYER'S PREFERRED SERVICE

I created the Buyer's Preferred Service for buyers that are serious about finding a home. There is zero obligation for this service and no fee. Preferred Buyers are placed ahead of all my clients and given attention specifically focused on meeting their exact needs.

Preferred Buyers Receive Completely Free:

1. *Priority Listing Identification* – We search local listings daily to find the home that fits exactly what you desire in a home. We will then email, fax or call you with the homes we find, depending on the method you desire.
2. *One-On-One Personal Attention* – I will make myself accessible so you can reach me at any time. Your calls will be taken as priority, no matter when you call.
3. *Flexible Scheduling* – I will open my schedule to ensure I can show you any desired home on your timeframe.
4. *Comprehensive Education* – We want you to feel comfortable, so I will take the time to answer your questions and provide you with plenty of material so the process of buying a home is enjoyable and not filled with uncertainty and stress.
5. *Priority Team* – During the process of buying a home, if you need any outside services, I have a list of local companies that deliver superior professionalism in their fields. You are not required to use these providers. This service is provided so you have the option to work with providers that have a proven track record.
